This program was prepared for print on 13 August 2013. Any changes after that date will be communicated on site.

In this program, all contributions are coded as follows:

- the first digit (1, 2, 3, 4, or 5) refers to the day (1 = Monday, etc.)
- the second digit (1, 2, 3, 4, 5) refers to the time slot in the program (1= 9:00 to 10:30, etc., see the program overview on the next page); papers coded 4-3 are all posters
- the third digit (00 to 15) refers to the room
 - **all plenary sessions** (room 00) will be held in the *Stein Auditorium* of the *India Habitat Centre* except the ones on Wednesday (for which we move to the *Indian Institute of Technology*)
 - **all parallel sessions** (rooms 01 to 15) will be held in smaller lecture and seminar rooms of the *India Habitat Centre*, Lodhi Road, New Delhi; numbers are as follows:

Number	Location (in the India Habitat Centre)	Capacity
00	Stein Auditorium (Ground floor)	537
01	Amaltas (Lower Ground)	120
02	Kadamba (Lower Ground)	30
03	Rudraksha (Lower Ground)	30

13	Chinar (1 st floor)	25
14	Willow (1 st floor)	35
15	Deck Suite (5 th floor, adjacent bldg.)	25

- the final digit (1, 2, 3, 4) refers to the order of appearance within a time slot
Note that only lectures follow a fixed pattern of 20 minutes presentation and 5 to 10 minutes discussion, and that the last speaker of any regular lecture session serves as chairperson; within panels, the distribution across available time is up to the coordinator

This program contains four very different types of events:

- **Plenary lectures:** 45-minute presentations; speakers may fill up the entire period or choose to leave a little time for questions.
- **Lectures:** individual presentations following a strict format of 20 minutes + 5 to 10 minutes of discussion; lecture sessions typically contain 3 consecutive presentations; for ‘underbooked’ sessions with only two presentations, speakers are urged to stick to the format described so that participants know what is happening when; in the case of further cancellations, the scheduled order of presentation should be preserved; the last speaker in a lecture session serves as chairperson.
- **Posters:** put up on poster boards from Monday onwards, with an exclusive poster period in the afternoon on Thursday; authors are expected to be present at their poster during that period.
- **Panels:** pre-organized thematic events; the program gives an order in which presentations will be made, but the format may differ greatly from panel to panel (as also the number of speakers varies within given 90-minute time slots); participants are advised not to switch between panels, as this will most probably not get them what they are looking for at any given time anyway.
